

REMARKS

Claims 15 and 21 are amended herein to correct minor grammatical errors in the claims. Specifically, each claim has been amended to correct the phrase, "a flow ratio $\text{NH}_3:\text{O}_2$," to the phrase, "a flow ratio of $\text{NH}_3:\text{O}_2$."

The Applicants submit that these corrections are unrelated to patentability, do not affect the scope of the claims, and add no new matter. Accordingly, the Applicants respectfully request entry of these amendments.

If the Examiner believes that any unresolved issues still exist, it is requested that the Examiner telephone Mr. Alan Taboada at (732) 935-7100 so that appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,

July 7, 2006

/ Alan Taboada /
Alan Taboada, Attorney
